Mid-Year Meeting 2010

April 14-16
New Orleans, Louisiana

Information about the Bienville House

Just as the French Quarter is perfectly situated in the heart of New Orleans, the Bienville House Hotel is perfectly situated in the midst of the historic French Quarter. Having just completed a multi million dollar renovation, the 83-room hotel is a truly distinctive establishment with a sense of style and grace only to be found in America's most interesting city.

Many guests at the Bienville House feel that they're visiting a centuries-old French Quarter manor house rather than an upscale boutique hotel. The lobby, reminiscent of a French Quarter parlor, is elegantly appointed with hand-painted murals and Old World furnishings. A flagstone courtyard surrounds a crystal blue pool, wrought iron balconies grace many guestrooms, four welcoming sundecks invite you to relax and drink in the flavor of the most European of cities. Guests will delight in a host of luxurious in-room amenities that make your hotel room a welcome respite from all the bustle of the French Quarter.

Guests at the Bienville House will also find themselves in a prime location, amidst the city's finest antique shops on Royal Street, Bourbon Street, late-night jazz clubs, world renowned restaurants, centuries-old historic buildings, museums, voodoo shops and more.
